**Subject:** Comment on Michael Dourson nomination?

Good morning,

My name is James Pilcher and I am a reporter with The Cincinnati Enquirer/USA Today. I have interviewed Dr. Michael Dourson about his nomination process and he has expressed some disappointment and frustration with the way his nomination was handled by EPA and the administration.

I am asking for comment from the EPA – hoping to hear back from someone by noon Monday.

Please call my cell below when you can.

Thanks in advance.

Warmest regards,

James Pilcher
